

The Blessed Sacrament Huguenot School's Class of 2020 Senior Feature Campaign

Did you know that there are 21 "business days" in the month of May this year? Did you know that the BSH Class of 2020 is made up of 21 fantastic students? Coincidence?

WE THINK NOT!

We need your help to prepare for our school's *first* ever "Senior Feature" campaign that will last the entire month of May. Here is what you will need to do:

- a.) Please take your time to complete the questionnaire below.
- b.) We are asking that you submit *a maximum of 8 school appropriate photos* of your favorite memories throughout your school career. For example, your first day of Kindergarten, playing on a sports team, performing on the stage, receiving an award, a picture from spirit week, homecoming, prom, etc. Pictures 9 and 10 will be the senior portrait and the college logo.
- c.) Lastly, be sure that you and your family follow and share the school's social media accounts to support the Class of 2020's Senior Feature Campaign!
